New Staff & New Positions

After consultation with Archdiocesan personnel, it was determined, that Saint Christopher does not need a full-time Business Manager. So, the difficult decision was made to eliminate the position. Our current Business Manager, Dean Sears, was then offered the positions of Facilities Manager - dealing with the care and maintenance of our beautiful buildings and grounds (25 hrs) and the Music Ministry - dealing with the coordination of organists, cantors and the development of choirs for our Masses (15 hrs). After much prayer and consideration, he has decided to take just the position of Facilities Manager. Fortunately, I had already hired a very talented individual, Lawrence McCrobie, to coordinate our media needs (the parish webpage, the Facebook page, the Ministry scheduler, Facilities scheduler, etc). He also has the background and training necessary to meet our musical needs. So, please join me in welcoming him as the newest member of the parish staff.
